Not that I know of but I'll ask around. Everything that gets submitted is checked in with our clerical. Do you know the approximate date that the plan should have been submitted?

Subject: Question regarding Kailua WWTP

Hey Matt,

Do you know if a contingency plan for Kailua WWTP was ever submitted regarding the fact that the 30-day average discharge flow rate periodically exceeds 85% of their design capacity?

Kris didn't seem to know of a contingency plan being submitted, and we didn't see anything in the file during our copying. I'm wondering if they submitted something to you, or if you know that they've been granted an exemption?

Thank you,

Dan Connally
